

CALCULATING YOUR CREDITS

ONBOARD CREDIT VS. FUTURE CRUISE CREDIT

ONBOARD CREDIT

STEP 1: Take the amount listed under "Cruise Fare" on your invoice.

Step 2: Subtract any promos applied to get your Cruise Fare Paid

Step 3: Divide the Cruise Fare Paid by the nights on your itinerary.

Step 4: Multiply this amount by the number of days promised.

And there you have it: this amount is your credit due!

CERTIFICATE

STEP 1: Take the amount listed under "Cruise Fare" on your invoice.

Step 2: Subtract any promos applied to get your Cruise Fare Paid

Step 3: Divide the Cruise Fare Paid by the nights on your itinerary.

Step 4: Multiply this amount by the number of days promised.

And there you have it: this amount is your credit due!

**BOTH ONBOARD CREDITS & FUTURE CRUISE
CERTIFICATES ARE CALCULATED USING THE CRUISE
FARE PAID
(MINUS PROMOS, ADD-ONS, TAXES, & FEES)**
